Great information!

By Buy Mor

I am going to Antarctica in November and really couldn't find any travel books. I got this one and am very happy with the information on the areas that most cruise ships visit. I would recommend the book to anyone going on a cruise to Antarctica.

Better than I expected...and I expected a lot!

By agalinmissouri

This book has everything you will need if you are taking a trip to Antarctica. Great information about the area, and good photos for identifying the local wildlife.

Good information on the islands and wildlife

By Lady Luck

I was looking for a book on Antarctica that had info on both the islands and the wildlife since we are taking an icebreaker cruise this year. It seems to meet my needs and has a lot of great pictures. the true test will come when we actually travel.
