Build a Better Future...

By Amazon Customer

Great book with lots of helpful tips. Still reading through it, but love it so far.2 of 2 people found the following review helpful.

Meh....

By an le

Not really comprehensive, but rather, the book has general information about architecture profession. I wouldn't recommend. I'm sure you can find free similar information using Internet.9 of 9 people found the following review helpful.

Awesome Book!!!!

By Charli

I read this book in one day and have gone back through to complete the assignments and find the recommended additional reads which I found to be very helpful. Overall I am so pleased with this book. The way the information is conveyed is clear and precise. I will look out for additional architectural reads from this author. See all 35 customer reviews...
