An indispensable training manual for new recruits to fatherhood

Attention! Written by an ex-Commando and dad of three, this manual provides clear and logical advice on all the practicalities of becoming a new father and simple, helpful instruction for all obstacles along the way. It will teach prospective fathers, in no-nonsense terms, how to survive the first 24 hours; how to Prepare and Plan to Prevent Poor Parental Performance; how to maintain morale in the ranks; how to feed, clothe, transport, and entertain your troops; how to transport the troops successfully on maneuvers; how to increase your "flash to bang" time and "square away" tasks along the way; and much more. Let training commence.

Great book

By jonathan roda

Breaks it down as to some of the basic requirements a future dad needs. I especially liked the list of things to get before the little trooper arrives on station.
