# **EN EL CLOSET (SPANISH EDITION) BY GUADALUPE LOAEZA PDF**

En estas paginas haremos un recorrido por las vidas de los homosexuales mas influyentes en la cultura y la historia. Hay que decir que se trata de un reconocimiento a su inteligencia, a su influencia en la sociedad y en la cultura, pero sobre todo a su valor; no hay que olvidar que muchos de ellos son personajes que a pesar de las epochas de represion en que han vivido, pudieron llevar una vida abierta y fuera del closet. Hablaremos de musicos como Leonard Bernstein; escritores como Andre Gide, Oscar Wilde, Marcel Proust, Carlos Monsivais, Gabriela Mistral, Federico Garcia Lorca; pintores como Andy Warhol; actores como Rock Hudson, Marlene Dietrich, Sara Garcia, Dirk Bogart; politicos como Harvey Milk; o figuras actuales como Juan Gabriel y Ricky Martin. / It's a recognition to gay culture with influence in society and culture. Their courage that despite their repression, could lead an open life outside the closet. Leonard Bernstein, André Gide, Oscar Wilde, Gabriela Mistral, Federico García Lorca, Andy Warhol, Rock Hudson, Marlene Dietrich, Sara García, Dirk Bogart, or current figures like Juan Gabriel and Ricky Martin.

Interesante cada biografía presentada

By Mccantu

En el Closet (Spanish Edition)

Guadalupe Loaeza a través de esta obra nos proporciona una excelente lectura para el entretenimiento de un fin de semana. La obra compila las biografías de diversos personajes, principalmente de EUA, Hispanoamérica y Francia.

La obra está dividida de acuerdo al ámbito profesional de los personajes:

1. Detrás de la puerta... la imagen, donde encontraremos 15 biografías de personas públicas principalmente con el medio artístico: cantantes, actores, músicos, compositores, etc.; Ignacio de la Torre, Sara García y Ramón Gay.

2. Los ojos como espejos, contiene 8 biografías de personalidades del medio arquitectónico, moda y escultura. Entramos a Juan Soriano, Yves Saint Laurent, entre otros.

3. Palabras como balas, contiene 18 biografías de poetas y escritores. En esta parte nos encontramos con Federico García Lorca, Gabriela Mistral, Carlos Pellicer y Carlos Monsiváis.

4. Una música más íntima contiene 5 biografías de músicos y compositores: Cole Porter y Liberace.

La obra cierra con la historia de Marcela y Mario, dos mujeres que contrajeron matrimonio en 1901 en España.

Algunos trabajos biográficos son más interesantes por los elementos que lo conforman pues Loaeza los enriquece con detalles, especialmente los trabajos de los escritores, pues presenta breves citas para develar el misterio detrás del personaje. No en todas las biografías se presentan evidencias o referencias.

Me gusta que su tabla de contenidos pues se puede acceder fácilmente a una biografía en particular.

Comparto con Uds. la URL de un programa de TV donde la autora comenta su libro (15 de febrero de 2012):

Mi opinión

By Francisco J. Reyes Ordaz

He leido casi toda la obra de la Loaeza, me gusta su manera de narrar historias de una forma desenfadada y a veces hasta light, se que no pasara a la historia como una de las mas grandes escritoras de méxico pero como siempre aporta su manera de ver las cosas. En estas páginas se hace un recorrido por las vidas de los homosexuales más influyentes en la cultura y la historia. Hay que decir que se trata de un reconocimiento a su inteligencia, a su influencia en la sociedad y en la cultura, pero sobre todo a su valor; no hay que olvidar que muchos de ellos son personajes que a pesar de las épocas de represión en que han vivido, pudieron llevar una vida abierta y fuera del clóset. Se habla de músicos como Leonard Bernstein; escritores como André Gide, Oscar Wilde, Marcel Proust, Carlos Monsiváis, Gabriela Mistral, Federico García Lorca; pintores como Andy Warhol; actores como Rock Hudson, Marlene Dietrich, Sara García, Dirk Bogart; políticos como Harvey Milk o figuras actuales como Juan Gabriel y Ricky Martin. En este libro la autora pretende presentar a individuos gays de carne y hueso, en lugar de teorías o abstracciones, con ello da un empujón y ayuda a transformar la imagen social de la homosexualidad, la cual esta un tanto manchada y subvaluada.\*\*
