Wordy

By Wendy H.

Great information but Very wordy. Some sentences are repeated again within the chapter. I don't see any significant changes with this edition compared to 3rd. If anything, I would have bought the 3rd3 of 3 people found the following review helpful.

Errors abound

By RK66

This review is related to the textbook, NOT the seller. The seller shipped the book quickly and it was in great condition. However, the TEXTBOOK is riddled with numerous errors and CONSTANT redundancy! If the repetition was omitted, the textbook would be half the size. Obviously no one proofs the textbook before printing. One section stated that during the turn of the century, people did not go to hospitals and communicable diseases were the leading cause of death...Well, this was true at the turn of the 20th century! This book has been revised several times in the 21st century, so that statement is no longer true!!! One chapter discussed a 2008 study that predicted events from 2007 (not much of a prediction!). Very unprofessionally written. Maybe professors & schools need to read the text they require their students to read.3 of 4 people found the following review helpful.

Save money - buy the 3rd edition

By jon erickson

The information in the book is fine, though I agree with other reviews here that the presentation is a bit wordy. Wendy H.'s review is right; there have not been significant changes since the 3rd edition. As far as I can tell, the updates mainly consist of substituting "Healthy People 2020" in the 4th edition for "Healthy People 2010" in the 3rd. On the first day of class, some people admitted they bought the older edition. Our professor replied, "well, they're pretty much the same," and then emailed us a list of page equivalents for the readings. So I came on Amazon, and bought a used 3rd edition. This is why I never take off the school bookstore's shrink-wrap until after the first class. See all 52 customer reviews...

FOUNDATIONS OF NURSING IN THE COMMUNITY: COMMUNITY-ORIENTED PRACTICE, 4E
BY MARCIA STANHOPE, JEANETTE LANCASTER PDF

So, when you need quick that book **Foundations Of Nursing In The Community: Community-Oriented Practice, 4e By Marcia Stanhope, Jeanette Lancaster**, it does not need to wait for some days to receive guide Foundations Of Nursing In The Community: Community-Oriented Practice, 4e By Marcia Stanhope, Jeanette Lancaster You could directly get guide to save in your tool.
