Review

"Sparks starts a delightful new paranormal-romance series...Readers will relish Spark's lovingly detailed and memorable tale and look forward to the next." --Booklist

"Sparks creates an intricate, layered world that's easy to fall into without tons of backstory needed. This story is a joy to read. The Beast, Lord Leo, is everything you'd want, without being so dark he irks you. Readers will be fully invested in this Embraced series!" --RT Book Reviews (Top Pick!)

About the Author

Kerrelyn Sparks apparently has issues with reality. After writing sixteen books about vampires, she has now completely gone off the deep end and wound up on another planet. But how thrilling that she can share this magical new world with her readers! Although she is best known (so far) for the Love at Stake series, which has hit as high as number 5 on the New York Times list and 22 on the USA Today list, she hopes her readers will love The Embraced as much as they did her merry band of vamps and shifters. To learn more about her paranormal, historical, and new out-of- this-world fantasy romances, please visit Kerrelyn on Facebook, Twitter, or her website.

HOW TO TAME A BEAST IN SEVEN DAYS (THE EMBRACED)

BY KERRELYN SPARKS PDF

From the brilliant imagination of Kerrelyn Sparks comes a bold new fantasy romance series in which passion and magic collide. Behold the Embraced...

As one of the Embraced?one born with magical powers?the beautiful, innocent Luciana escaped certain death after her father hid her away on the Isle of Moon. Now, nineteen years later, her father has returned with a frightening request. He will be executed unless Luciana returns to the mainland and marries a man feared throughout the land: a terrifying brute known as the Beast.

Luciana accepts her fate and agrees to wed the Beast?Lord Leo?in order to save her father. Soon she learns that her betrothed is also one of the Embraced. With the ability to wield lightning, Leo's immense power strikes fear into the hearts of men. . .and his mere touch can put an end to a woman's life. But Luciana cannot deny the passion that burns between them. How can she resist the man who scorches her soul and makes her feel intoxicated with desire?even if surrendering to him could destroy them both?

A darling love story

By RabidReads

I've been suffering from a bout Paranormal Romance burnout these past few months, but I decided to roll the dice with *HOW TO TAME A BEAST IN SEVENS DAYS* in the hope that it wouldn't come up snake eyes. My risk was twofold because Kerrelyn Sparks is also a new-to-me author. I couldn't have picked a better title to break the ice with! The world-building was whimsical with its inviting characters, and darling love story.

Luciana grew up in a convent, and had believed that she was an orphan until her father showed up on the Isle of Moon. Due to her upbringing, the heroine's soul is as white as freshly fallen snow which made her transition from a secluded island to the mainland with all its politics, and royal machinations a huge shock to her system. I enjoyed observing her efforts, minor slip-ups, and eventual triumph.

The hype surrounding the Beast of Benwick made the match with the Duke of Vindalyn's daughter all the more appalling on account of the sharp contrast. Leo's mistrust of his betrothed, and the reason why the King paired them up further added to the conspiracy. It seemed like their arranged marriage was doomed to fail until the basis for the lies surfaced, and they realized they were stronger together.

I'm purposely avoiding commenting on the *EMBRACED* aspects, and why Ana was stowed away for nineteen years because this is the first installment in the series, and I don't want to give anything away. That being said, I really liked Brody, and with four other "sisters" waiting in the wings, it seems a safe bet to assume that readers can expect at least five books. My only complaint was the length. It just kept going and going...

HOW TO TAME A BEAST IN SEVEN DAYS allowed me to finally discover Kerrelyn Sparks' writing!

Brilliant start to a new series!

By Vicki Rose

As a long-time fan of Ms Sparks & her brilliant novels, I was beyond thrilled to get this one in my hands and the wait was well worth it! Kerrelyn has a unique way of weaving a story that I've never seen duplicated by another author.. She pulls you in, thread by thread, and before you know it, you're addicted and putting down the book is impossible! The world building was extraordinary & the characters were multi-faceted & intriguing. I can't wait to get my hands on the next book in this new series! ~Vicki Rose ~ Platinum Book Reviews

A Much Better Story Than I Was Expecting

By Douglas C. Meeks

Well as a fan of the authors previous books I was not sure what to expect in this series but pure fantasy was not one of the choices I would have guessed.

I mean when you start a book out with a hidden princess, an evil king, a mysterious hero, and a plot straight out of fantasy 101 what's not to love?

Well to answer that question the beginning and the ending, the setup for this great story has our reluctant heroine giving up on her whole life for a Father she has never seen and did not even know existed all within the space of a few hours. The ending to an exciting story went from nowhere to HEA in the space of about 20 pages it seemed (I did not count them).

Did it ruin the story? Of course not, I loved it even with the shortcomings and the characters were all defined enough that you actually felt something for pretty much each of the main and secondary characters.

Bottom Line: A charming and entertaining story set in a typical fantasy setting with a few twists that make it original but the main thing is I enjoyed the book and can't wait for the next one.
