DECEPTIVE !

By Gumply

When I went looking for this I entered KJV ER Bible. So when the page came up I decided to pick this one. I have to confess that I was not paying attention so I did not realize that it wasn't an ER version so when it came it was loaded with Thee, Thou and Thy's which really upset me. Since I put in the box KJV ER Bible I assumed that they would only give me the ER version. I feel that Amazon was very deceptive in their displays and it made me want to write them off as a place that has no integrity. I will be extremely cautious from now on.
