Rhapsody in Blue

By Sheila Thead

This piece of music (a duet for advanced musicians) sounds very much like the original solo "Rhapsody in Blue" by Gershwin. Anyone familiar with the solo (not a simplified version) will appreciate the way this duet plays. Part of the fun, when you're learning it, is in anticipating how the four hands pull off the syncopation of the original. It's not for beginning students, though, so choose your partner well. Then, enjoy! The duet is truly a delight to perform!
