The Old And New Family Will Live Forever.

By Fusionwavestarpism

Even before Yuichiro could get into the "Moon Demon Company" classroom to learn about "Cursed Gear" He gets into a fight with a student named Shiho, Who's younger sister under 13 somehow got the Virus back then. LT. Colonel Guren tells him if he does a good job in the future he will be able to give his sister better medical help that's not allowed to be given to regular people.

The following day a practice test takes place and all students have to fight battle dolls for points in pairs. When Yuichiro tries to get Yoichi to be his partner, Shinoa beats him to it and takes Yoichi, Forcing Shiho and Yuichiro to team up, Which was funny. During the test Shiho gets word that his sister might die and wants to continue the fighting, Yuichiro tries to tell him that he needs to see her because she's Family and when a Family member dies that's the last time you'll ever see them again, Shiho finally listens and

understands what Yuichiro means by that. Even though Shinoa made them a team to be funny, It made them even stronger than they were before, Which LT. Colonel Guren wants.

Yuichiro and Shiho plead to Guren that's time to show them how to Contract "Black Demon Series Gear", Which are the most powerful and rare Weapons to obtain. In front of the class Guren takes out his sword and strikes into the floor causing students to fall one by one but four students did remain standing strong. Yuichiro, Shinoa, Shiho and Yoichi survive Gurens Sword Attack and now get a shot at earning the "Black Demon Series Gear". Once each person choses their Weapon, They will now walk to a magic circle and the Demon will see if each one can withstand it's Wrath and to see if they are strong enough to wield their power.

You will read about how Mikaela became a Vampire through Krul, The Vampire Queen who calls both Yuichiro and Mikaela her "Seraphs"

A color foldout of the Moon Demon Company and the leaders of the Vampires, In the beginning of the book.

Just as great as the first

By Angela Wentland

I really really like where the story is headed at the moment, the plot is interesting and I like the main protagonist.

It's gotten a lot more different and you see the protagonists best friend's side of what happened to him after the first volume.

The style of talking sometimes seems like it came out from an Anime or something. The funny arguments that happen have a certain animated type read. Maybe that's just me but anyways, great buy. I'm gonna get volume three to see the story's progression.
