Great guide for sex addiction!!!

By Ashley

Wow, this book was amazingly written. I have to give credit where it is due and I normally don't like writing reviews because it just takes away time but, Caesar deserves it. This is a great book to help those who are struggling with sex addiction which I'm pretty sure everyone has someone whom they know that struggles with this issue, this is a serious issue by the way. They need help and are afraid to come out and talk about this issue that they are having. If you want to help them this guide is a wonderful choice. It explains what sex addiction is and how one can seek help. This is definitely one that I will be keeping in my collection to help

those who need it. Wonderful job, Caesar!
