## Review

'An excellent text, designed and written to enthuse teachers to adopt a dynamic approach to all aspects of the English curriculum. Teaching English Creatively looks at both the theories which underpin children's learning and suggests a myriad of practical approaches, which cannot fail to engage the most reluctant of learners. As ever, Teresa Cremin's enthusiasm for her subject is palpable on every page.'

Tracy Parvin, Senior Lecturer, Department of Primary Education, Canterbury Christ Church University, UK

## About the Author

Teresa Cremin (Grainger) is Professor of Education at the Open University, UK and President of the United Kingdom Literacy Association (2007-9).

What does it mean to teach English creatively to primary school children?

How can you successfully develop pupils' engagement with reading and writing skills?

Teaching English Creatively demonstrates the potential of creative teaching to develop children's knowledge, skills, understanding and attitudes. Underpinned by theory and research, it also offers informed and practical support to both students in initial teacher education, and practising teachers who want to develop their teaching.

Illustrated by examples of children's work, this book explores the core elements of creative practice in relation to developing engaged readers, writers, speakers and listeners. Creative ways to explore powerful literary, non-fiction, visual and digital texts are offered throughout. Key themes addressed include:

- meaning and purpose
- play and engagement
- curiosity and autonomy
- collaboration and making connections
- reflection and celebration
- the creative involvement of the teacher.

Stimulating and accessible, with contemporary and cutting-edge practice at the forefront, Teaching English Creatively includes a wealth of innovative ideas to enrich literacy practice.

Written by an experienced author with extensive experience of initial teacher education and English teaching in the primary school, this book is an essential purchase for any professional who wishes to embed creative approaches to teaching in their classroom.
