Review

“[A]n entertaining biography. . . .”—New York Times Book Review

“Drawing on countless hours spent with de Acosta’s personal correspondence and unpublished writings, Schanke puts together a compelling portrait of a woman whose confidence in herself is striking, particularly because she stood tall in an era when women were taught to do the opposite. . . . Although de Acosta’s writing is largely neglected, Schanke’s well-crafted, deeply-researched biography makes her live again, gliding down the streets of New York to show other women how it should be done.”—ForeWord

“[Schanke] has written a delightful biography of de Acosta, which places her in the Dona Juana hall of fame. . . . Schanke’s biography . . . is a delicious read, filled with juicy quotes and excellent research on peripheral players. Like Natalie Barney, de Acosta was an original and artful seductress.”—Girlfriends

“Mercedes deserves a lot of credit for having the courage to be an outspoken lesbian in the early twentieth century. . . .”—Gay City News

“Schanke brings an awareness of what is tragically left undone to the study of de Acosta’s life. . . . Her individualism, her struggle to express herself, her desire to be loved—these make de Acosta an enormously compelling contemporary figure.”—Choice

“The story of de Acosta, her life, her loves, and her struggle to live openly in a world that wanted no part of her, will serve to inspire generations to come. Schanke is to be congratulated for taking the time and effort to

bring de Acosta to life so vividly, and for working to see that she and her work finally get the credit, and attention, they deserve.”—Texas Triangle

“A gripping good read. . . . [T]his book also sheds new light on the biographies of dozens of other renowned women of the era—Greta Garbo, Marlene Dietrich, Alla Nazimova, Ona Munson, and Eva Le Gallienne, to name a few.”

—Felicia Hardison Londré, University of Missouri–Kansas City

“That Furious Lesbian”: The Story of Mercedes de Acosta reclaims and celebrates a figure who is now almost virtually unknown among students and scholars of theatre history. . . . Schanke’s lively and provocative narrative chronicles the story of this important figure in gay and lesbian history.”

—Elizabeth Reitz Mullenix, Illinois State University

Life will be finished if you know much more things via reading e-books.

THAT FURIOUS LESBIAN: THE STORY OF MERCEDES DE ACOSTA (THEATER IN THE AMERICAS) BY ROBERT A SCHANKE PDF

In this first book-length biography of Mercedes de Acosta, theatre historian Robert A. Schanke adroitly mines lost archival materials and mixes in his own interviews with de Acosta's intimates to correct established myths and at last construct an accurate, detailed, and vibrant portrait of the flamboyantly uninhibited early-twentieth-century author, poet, and playwright.

Born to wealthy Spanish immigrants, Mercedes de Acosta (1893–1968) lived in opulence and traveled in the same social circles as the Astors and Vanderbilts. Introduced to the New York theater scene at an early age, her dual loves of performance and of women informed every aspect of her life thereafter. Alice B. Toklas's observation, "Say what you will about Mercedes, she's had the most important women in the twentieth century," was well justified, as her romantic conquests included such internationally renowned beauties as Greta Garbo, Marlene Dietrich, Isadora Duncan, and Eva Le Gallienne as well as Alla Nazimova, Tamara Karsavina, Pola Negri, and Ona Munson.

More than a record of her personal life and infamous romances, this account offers the first analysis of the complete oeuvre of de Acosta's literary works, including three volumes of poetry, two novels, two film scripts, and a dozen plays. Although only two of her plays were ever published during her lifetime, four of them were produced, featuring such stage luminaries as John Gielgud, Ralph Richardson, and Eva Le Gallienne. Critics praised her first volume of poetry, *Moods*, in 1919 and predicted her rise to literary fame, but the love of other women that fueled her writing also limited her opportunities to fulfill this destiny. Failing to achieve any lasting fame, she died in relative poverty at the age of seventy-five.

De Acosta lived her desires publicly with verve and vigor at a time when few others would dare, and for that, she paid the price of marginalized obscurity. Until now. With "That Furious Lesbian" Schanke at last establishes Mercedes de Acosta's rightful place as a pioneer—and indeed a champion—in the early struggle for lesbian rights in this country.

Robert A. Schanke has edited a companion to this biography, *Women in Turmoil: Six Plays by Mercedes de Acosta*, also available from Southern Illinois University Press.

Silk purse vs. sow's ear

By Kevin Killian

Schanke's previous book on the stage actress Eva Le Gallienne was a knockout, and this one suffers in comparison. Perhaps the character of Mercedes was just too hard to pin down, and this may not be Schanke's fault. Acosta's work seems slight and dated, and no amount of cutting and pasting is going to make a silk purse out of a sow's ear. This leaves her as a curiosity, a woman who must have been something in her prime, when so many gorgeous women succumbed to her; and then as a victim of what we would now call "erotomania," desperately clinging to the hope that someday Garbo would smile on her again, even though she must have known that "outing" Garbo in her insipid memoir "Here Lies the Heart" (which Le Gallienne heatedly called, "The Heart Lies and Lies and Lies") wasn't the way to curry favor with such a private individual. The last chapters of the book are pathetic in extremis, it's almost hard to believe Mercedes stayed alive from week to week she was so poor and abject, having no money of her own and totally dependent on charity from others. She was like Job in every way except, of course, genitally. But then again Job was probably pretty annoying too. Schanke does a fine job putting together the pieces of a fabulist's life, jigsaw pieces from many different puzzles.

Overdue but uninspired

By Bren Carlow

De Acosta has long needed an biography since her own autobiography "Here Lies the Heart" often feels fictional. While Schanke gets the facts and corrects some of the autobiography's inaccuracies, he does not ever convince one that this was a story worth telling. The vitality and outragousness of her own book makes de Acosta a compelling figure, but the recitation of facts in this one does not.

This book has a hard task: telling the life story of a mediocre writer best known for who she had sex with. And while the book does not make a strong case for de Acosta being worth the attention, it is quite facinating for anyone interested in gay history. In addition, the figures arround Mercedes (such as her sister, Garbo, Poppy Kirk) emerge as intriguing in a way that de Acosta does not.
