Reading this book **The Black Hand: The Story Of Rene "Boxer" Enriquez And His Life In The Mexican Mafia By Chris Blatchford** will not make you worthless. It will certainly offer more perks.

From Publishers Weekly

Starred Review. There is much to praise in this authorized biography of Rene Boxer Enriquez, penned by Peabody Award-winning journalist Blatchford (*Three Dog Nightmare*). While this is a superb cautionary tale about the dangers of youth falling into senseless gang violence, it also rates as a probing, redemptive story of Enriquez, a vicious, heroin-addicted killer for Los Angeles's largest criminal street gang, with 20,000 members involved in extortion, drug-dealing, vice and murder. Blatchford explores with grim accuracy Enriquez's criminal past, prison killings, turf wars and contract eliminations around the West Coast. But the book also reveals Enriquez and his crew's total commitment to hoodlum honor, the cost in lives and status, and the betrayals and intrigues both behind bars and out in society. This is a savvy account of Enriquez's arduous self-education and personal transformation from cold killer to a man who, in his own words, educates law enforcement and the public about a prison and criminal subculture that should scare the hell out of them. Review

“Blatchford is well-suited to tell this story . . . he captures the nuances and nihilism of the prison world . . . The narrative is interspersed with fascinating prison arcana.” (Los Angeles Times)

“A gripping, powerful, chilling inside look at a criminal organization that is changing the organized crime landscape. This is a mob classic.” (Dominick Dunne)

“A fascinating, vivid and unforgettable insider’s look at the bloody, secret and deadly Mexican Mafia. Chris Blatchford’s compulsively readable wake-up call spares no one and names everyone, including the politicians who aid and abet this dangerous criminal organization, through corruption, maddening naiveté, or

political correctness.” (Joseph Wambaugh)

“A courageous and well-written exposé on one of the most ruthless and powerful gangs of all, the Mexican Mafia. Chris Blatchford reaffirms his position as being among Americans greatest investigative reporters.” (Vincent Bugliosi, author of *Helter Skelter*)

“Chris Blatchford has hit a grand slam. *The Black Hand* is an important page turning book that will take you into a frightening dark world that shouldn’t exist... but it does. It’s riveting, and when you finish the book, you’ll get up and lock your doors. Highly recommended.” (William "Billy" Queen, retired special agent ATF and bestselling author of *Under and Alone*)

“A fascinating look at the world of the Mexican Mafia, more ruthless than the LCN. A must read for law enforcement and a tribute to the courage of ‘dropout’ Rene ‘Boxer’ Enriquez.” (Joe Pistone, aka Donnie Brasco)

From the Back Cover

An astonishing and groundbreaking look at the Mexican Mafia, *The Black Hand* is an unprecedented story of depravity, violence, and redemption

Rene "Boxer" Enriquez grew up on the violent streets of East L.A., where gang fights, robberies, and drive-by shootings were fueled by rage, drugs, and alcohol. When he finally landed in prison—at the age of nineteen—Enriquez found an organization that brought him the respect he always wanted: the near-mythic and widely feared Mexican Mafia, La Eme.

What it saw in Enriquez was a young man who knew no fear and would kill anyone—justifiably or not—in the blink of an eye. That loyalty and iron will drove him up the ranks as a mob enforcer and ultimately to the upper echelons, where he would help rule for nearly two decades.

He helped La Eme become the powerful and violent organization that it is now, with a base army of approximately sixty thousand heavily armed gang members who control the prison system and a large part of California crime. Arguably the most dangerous gang in American history, its reach is growing.

And now award-winning investigative journalist Chris Blatchford, with the unprecedented cooperation of Rene Enriquez, reveals the inner workings, secret meetings, and elaborate murder plots that make up the daily routine of the Mafia brothers. It is an intense, never-before-told story of a man who devoted his life to a bloody cause only to find betrayal and disillusionment.

After years of research and investigation, Blatchford has delivered a historic narrative of a nefarious organization that will go down as a classic in mob literature.

THE BLACK HAND: THE STORY OF RENE "BOXER" ENRIQUEZ AND HIS LIFE IN THE MEXICAN MAFIA BY CHRIS BLATCHFORD PDF

THE BLACK HAND is the true story of Rene Enriquez, aka "Boxer," and his rise in a secret criminal organization, a new Mafia, that already has a grip on all organized crime in California and soon all of the United States. This Mafia is using a base army of an estimated 60,000 heavily armed, loyal Latino gang members, called Surenos, driven by fear and illicit profits. They are the most dangerous gang in American history and they wave the flag of the Black Hand.

Mafioso Enriquez gives an insider's view of how he devoted his life to the cause--the Mexican Mafia, La Familia Mexicana, also known as La Eme--only to find betrayal and disillusionment at the end of a bloody trail of violence that he followed for two decades.

And now, award-winning investigative journalist Chris Blatchford, with the unprecedented cooperation of Rene Enriquez, reveals the inner workings, secret meetings, and elaborate murder plots that make up the daily routine of the Mafia brothers. It is an intense, never-before-told story of a man who devoted his life to a bloody cause only to find betrayal and disillusionment.

Based on years of research and investigation, Chris Blatchford has delivered a historic narrative of a nefarious organization that will go down as a classic in mob literature.

COULD HAVE BEEN A GREAT BOOK WITH MORE CHARACTER EXPLORATION

By Mommyof3

I am going to be generous and give this book four stars, but with reservations.

It is a good read, and says a lot about the workings of the Mexican Mafia. My problem with it is the handling of the character and the character development of Enriquez, or lack thereof. This man is a rapist, a murderer, and a gangster. Why did he suddenly go to the other side? The book really glides over this quickly. It seems that a hit was ordered on Enriquez. That they should suddenly turn on him should not be a surprise; the Mafia was his life, he knew how it works. So certainly it could not be for idealism that he defected. Instead it was to protect himself and stay alive. Now he turned and is sharing everything, going above and beyond the call of duty. That is commendable, and I am grateful to him for that. And just as he was promoted up the ranks in the Mafia, now he has reportedly become a celebrity to the LAPD, doing classes, giving speeches, etc. So this man just seems like a great opportunist, but Blatchford doesn't say that at all. To him, he is a new Christian who came from a rough background. As a Californian, I am relieved Davis denied his parole. He's creepy and Blatchford doesn't explore that.

Can evil behavior be changed for the good?

By Michael

This factual account of the life of Mr. Enriquez is a real eye-opener. It's shocking to watch his parents gradually learn how perverse their son's behavior really was. There was no attempt at 'intervention.' I've read that Mr. Enriquez has transformed himself and set a new course for the rest of his life. Let's pray for his continued success. This is one powerful cautionary tale.
