Reiki practitioners direct universal energy into the physical body through hands-on and energy-field healing

to support the client in recovering health and reclaiming well-being. An easy-to-learn form of energy medicine, Reiki is becoming commonplace in such conventional settings as hospitals, hospices, and psychotherapy practices because it relaxes, relieves stress, reduces and eliminates pain, accelerates healing, and helps support the gentle restoration of the body's natural balance. It is a unique healing art in that it can be learned by anyone, with no special knowledge of anatomy needed.

The Complete Book of Traditional Reiki takes the reader step-by-step through a traditional Reiki level I class. It discusses Reiki's origins and purpose, describes the attunement process by which a student is imbued with the power to channel life-force energy, and gives complete instructions for standard and optional healing hand positions. The first book to serve as a teaching manual, an extensive reference work for students, and compelling reading for those considering taking a Reiki class, this updated edition includes new information on the history of Reiki and the Reiki principles and features never-before-published photographs and a translation of the Usui Memorial in Japan, a tribute to the founder of Usui Reiki.

AMY Z. ROWLAND is a certified Usui Reiki master with additional training in Usui Reiki Ryoho, Gendai, and Komyo Reiki. She began her studies in 1987 with Rev. Beth Gray, a Reiki master trained by Mrs. Hawayo Takata, the first Westerner to teach and practice Reiki outside Japan. Rowland teaches workshops on the Reiki principles and on Reiki and intuition and is the author of *Reiki for the Heart and Soul* and *Intuitive Reiki for Our Times*. She lives in Pennsylvania.

an outstanding guide to reiki

By Reiki Harold

"The Complete Book of traditional Reiki" is true to the history of Reiki, and bridges to the challenges of our modern time. Amy Rowland notes, "what Reiki does provide is a direct, profound experience of the healing power of Spirit-guided life-force energy." This book is about healing oneself, others, and hopefully collectively the world. Lofty ideals. But its style is easy to read, and it makes what are often complex and mystical concepts simple and approachable. Amy Rowland is consistently respectful to historical Reiki, not by deification as sometimes mistakenly occurs, but by as accurately and intellectually honestly placing founder Mikao Usui, and Sensei Hawayo Takata, in context of the personal struggles they faced. This honesty makes Reiki more human, more accessible, and more relevant to us. We are imperfect people in an imperfect world, often needing method to face a day with compassion rather than anger, and hope rather than with despair. As a Hospice physician, I appreciate that Amy Rowland's book is healing not only in its approach to human suffering, but in its approach to respecting and bridging conventional and complementary healthcare. It is healing as well, in its inclusiveness and respect of all lineages of Reiki. Whether a beginner wanting to know something about Reiki, or for a practitioner experienced in Reiki, the author's approach brings elegance and clarity to Reiki.

The Complete Book of Traditional Reiki: Practical Methods for Personal and Planetary Healing

By Sharon Riegner

I have been an Energy Worker for 40 years and a Reiki Practitioner for 12 years and have read many Reiki Books. Knowing what a Labor of Love this book has been for Amy, I have found it be beyond awesome!!!

4 of 4 people found the following review helpful.

Excellent and Best Reiki Text

By Palaka

I read this book a couple of times, and it is extremely easy to read and it is also very understandable. I already have the book and will now get the kindle edition so I can refer to it when I am not home. Not only is it good for students, but it is also great for Reiki masters to know how to explain the ideas in a very clear manner to their students. I keep going back to this book and I think it is the best reiki book out there.
