From the Inside Flap

Illustrated in full color. James the Red Engine is taking some wild animals to the zoo when mischievous monkeys set the creatures free. Can Thomas the Tank Engine and his friends round up the missing menagerie? Lift the flaps and see!

About the Author

In the early 1940s, a loving father crafted a small, blue, wooden engine for his son, Christopher. The stories that this father, the Reverend W. Awdry, made up to accompany this wonderful toy were first published in 1945. He continued to create new adventures and characters until 1972, when he retired from writing. Reverend Awdry died in 1997 at age 85.

My boys love the humor in the this book!

By A Customer

Almost any Thomas book will be a hit with Thomas fans, but my boys do seem to enjoy this one a great deal. They find the mild humor (monkeys wearing clothes, seals throwing objects, a bear eating lots of tuna) beyond hilarious. They like (and I like) the way the lift-a-flaps are set up, so they really change the picture around when opened. If you have a Thomas fan 5 or under, I would consider this book.

Flimsy for toddler

By MamaGirl

My son was 18 months old and a huge Thomas and flap book fan when I ordered this. I was disappointed with the quality. He tore most of the flaps off within a week. I also did not care for the artwork. The lines are fine and the colors blend so the animals do not stand out. Son stills loves Thomas but this book is more appropriate for an older child.

Great Book

By R. Edelman

This book is really great. It has lots of flaps and fun pictures. My son loves it. Really great!
