TRUSTING GOD WITH YOUR FUTURE: A DEVOTIONAL (SOUL FOOD SERIES) (VOLUME 2) BY JOANA JAMES PDF

Trust is a complicated issue, especially when applied to someone we can't see. It's hard enough to trust those around us, but trusting an unseen God with the rest of our lives can seem counter-intuitive at best and simply insane at other times. This is a small collection of devotions meant to encourage, strengthen and stir the hearts of Christians toward learning to understand and trust our God. This book is not only about trust, but it's about the everyday situations that affect our trust in God.

Each lesson in this book is one the author has experienced and learned herself. There are personal testimonies and experiences that are meant to inspire and to challenge.

"In the party of life, God is the one guest you always invite because he always brings an amazing gift!" -
When God's desires become Yours (Devotion #14 Trusting God with your Future)

"As automatic as panicking."

By Mary C. Findley

Joana James has a secret formula for instant Christian success. Well, no, it's not instant, but it will work. These "wisdom bursts" were tougher to write than the first book in the series, I bet, but so necessary. We want to worry, we want to pick up that burden we were supposed to let Jesus have, we want to ask friends instead of asking God. James sets all these normal human behaviors up like tin cans on a fence rail and shoots them right off, pop, pop, pop. Through dark times, through tough times, through the "over and over" times we fail to be like God, we have to listen to these simple, practical lessons. Get up. Go on. Trust God.
