## Review

“One of the most beautiful, engrossing, and haunting books I’ve read. It’s clever, original, and enthralling . . . this is the most obsessively perfect character-driven novel I’ve read in a long time!” — Luccia Gray, Rereading Jane Eyre

“Complex, intriguing and romantic, *Unequal Affections* will be one of those novels that you must read more than once to fully understand why it is so compelling.”—Laurel Ann, Austenprose.com

## About the Author

Lara S. Ormiston is a Christian, wife, mother, and writer, in that order. She had a wonderful childhood as the daughter of missionaries in Indonesia and Zimbabwe, where she read Regency romances instead of watching TV. She loves Jane Austen because of her wit and morality, and the nineteenth century because of its beautiful language and elegant and erudite conversations no one would ever have these days. Lara lives in Round Rock, Texas, with her husband and three children.

Merely acquisition and download and install the soft documents of this book *Unequal Affections: A Pride And Prejudice Retelling By Lara S. Ormiston*

# UNEQUAL AFFECTIONS: A PRIDE AND PREJUDICE RETELLING BY LARA S. ORMISTON PDF

When Elizabeth Bennet first knew Mr. Darcy, she despised him and was sure he felt the same. Angered by his pride and reserve, influenced by the lies of the charming Mr. Wickham, she never troubled herself to believe he was anything other than the worst of men—until, one day, he unexpectedly proposed.

Mr. Darcy's passionate avowal of love causes Elizabeth to reevaluate everything she thought she knew about him. What she knows is that he is rich, handsome, clever, and very much in love with her. She, on the other hand, is poor, and can expect a future of increasing poverty if she does not marry. The incentives for her to accept him are strong, but she is honest enough to tell him that she does not return his affections. He says he can accept that—but will either of them ever be truly happy in a relationship of unequal affection?

Diverging from Jane Austen's classic novel *Pride and Prejudice*, this story explores the kind of man Darcy is, even before his "proper humbling," and how such a man, so full of pride, so much in love, might have behaved had Elizabeth chosen to accept his original proposal in the *Huntsford* parsonage.

Excellent pastiche, and ranks as one of my favorite retellings of P&P

By Z Hayes

Frankly, I'm not really a fan of Pride and Prejudice retellings, but UNEQUAL AFFECTIONS by Lara Ormiston is a refreshing exception. I found myself transported back to Jane Austen's PRIDE AND PREJUDICE, with the characters true to themselves and even though the storyline here takes quite a turn from the original, it is not far-fetched and quite imaginative and well-written.

The story here has Elizabeth Bennet considering and accepting Mr. Darcy's proposal several days after he proposes to her at Hunsford Parsonage. Elizabeth's motivation are driven primarily by her cognizance of her family's situation, and of what would befall her mother and sisters if her father should die and the estate be entailed to Mr. Collins. She is quite honest with Mr. Darcy and tells him that she does not love him, but Darcy is willing to accept Elizabeth on these terms. He then follows her back to Longbourn (he stays at Netherfield, upon Bingley's invitation), and the newly-affianced couple begin to get to know each other.

Much of the novel focuses on the relationship between Elizabeth and Darcy and how both overcome their objections to what they perceive as faults in the other - Darcy has to learn to overcome his revulsion of Elizabeth's family, and Elizabeth has to come to grips with Darcy's haughty and condescending manner to her relatives. I loved reading about how both learn to understand the other better, and there are startling revelations and insights into how each thinks. Wickham also features prominently here and remains true to his character as Austen wrote him.

I also enjoyed how the author managed to weave in important phrases from the original text into the current story, enabling the story to flow well. Austen's language is not the easiest to duplicate but Ms. Ormiston does so very well and quite credibly. It does not sound stilted as so many other Austen pastiches tend to be. Overall, I found myself diverted and entertained, and I hope the author will continue the story as I'd like to read about how Elizabeth copes with her new life as mistress of Pemberley, and of how she addresses the challenges of being in a new circle of acquaintances, whilst navigating married life with Darcy.

Lara Ormiston does an excellent job of staying true to the characters and to ...

By Windchimed

Lara Ormiston does an excellent job of staying true to the characters and to their need to be called on their mistakes so they can learn from them and grow. So many people assume that Darcy was always the way he was at the end of "Pride and Prejudice," and that he was simply misunderstood. Others believe that only Darcy needs to learn, and that Elizabeth was perfectly just in her behavior. Neither attitude matches what Jane Austen wrote. Darcy truly WAS proud, and Elizabeth truly WAS prejudiced, and their experiences with each other helped them both to grow beyond that and to become better people.

This book captures that dynamic very well in a different way than the original. It also handles the other characters nicely, leaving no one out and giving everyone their moments. Overall, I would rate this story as 4.5 stars, but since I can't do that, I'm going with 4. I'd give 5, but I've seen from this author's other stories how gloriously she can convey humor, and I wish there had been a little more of that here. Still, this was a thoroughly enjoyable book, and I recommend it.

Delightful Variation

By Kindle Customer

This was a really well presented p&p variation. Well written and paid homage to the original, with just enough clean passion.

It's a fascinating look at "what if" Elizabeth hadn't outright rejected Mr. Darcy's proposal. As others have said the characters, in my opinion, stay true to their original roles with only slight variations given the order of events. You will recognize original text interspersed throughout. Great read.
